### Rent Arrears

If you are having difficulty in paying your rent, always contact us to discuss your problems. If a Tenant is 7 (seven) days overdue in rent payments, the lessor/agent can serve a Notice to Remedy Breach (Form 11). The Tenant then has 7 (seven) days to pay the outstanding rent for a house or unit. The tenancy may be ended if the Tenant has not paid the outstanding rent in accordance with the Notice to Remedy Breach.
